Deleting a Product

> When deleting a product, this action will also delete all associated stock.

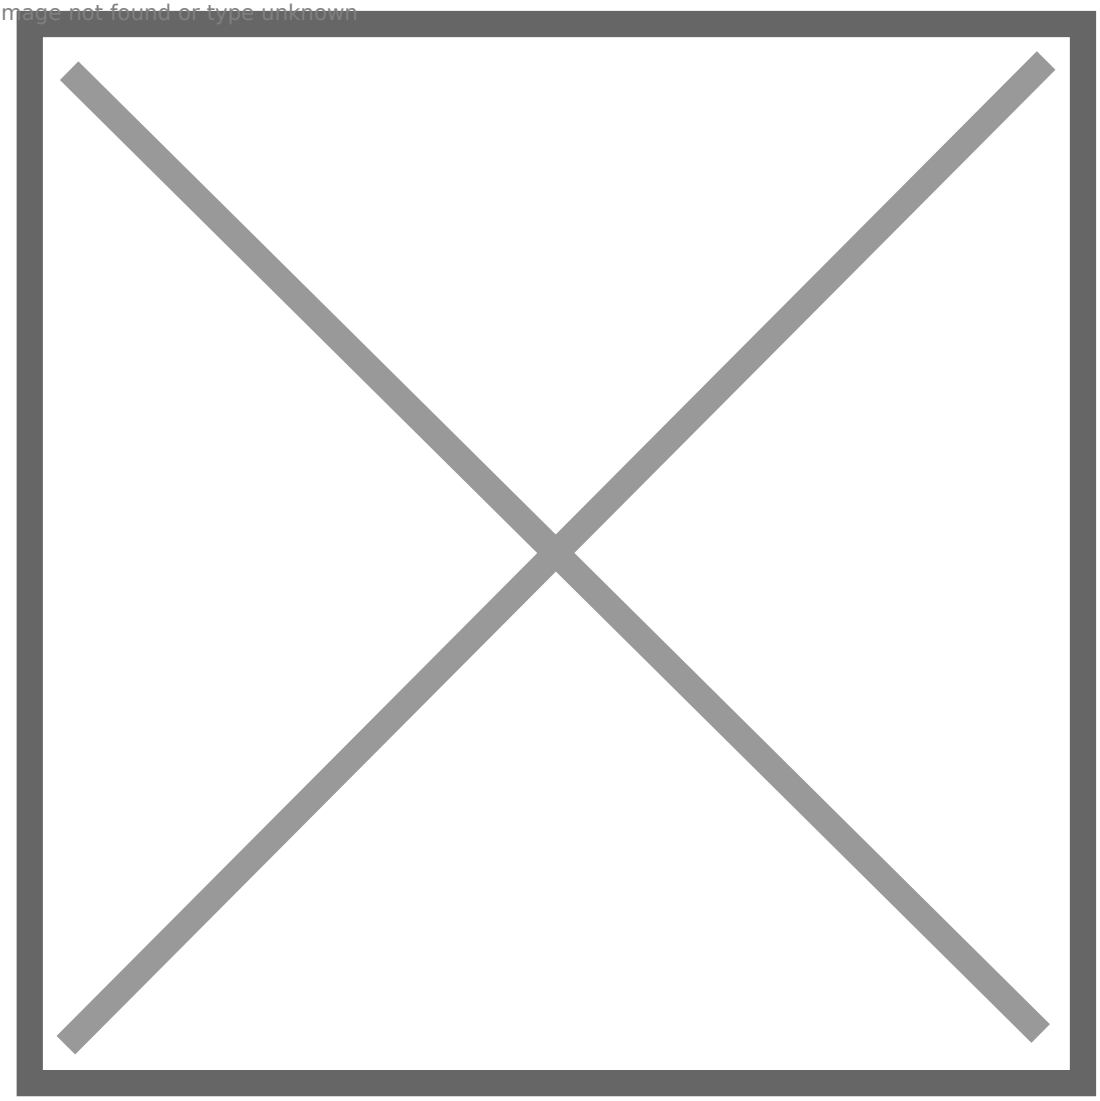

1. Click "Catalogue"

Image not found or type unknown

2. Click the "Product Search:" field.

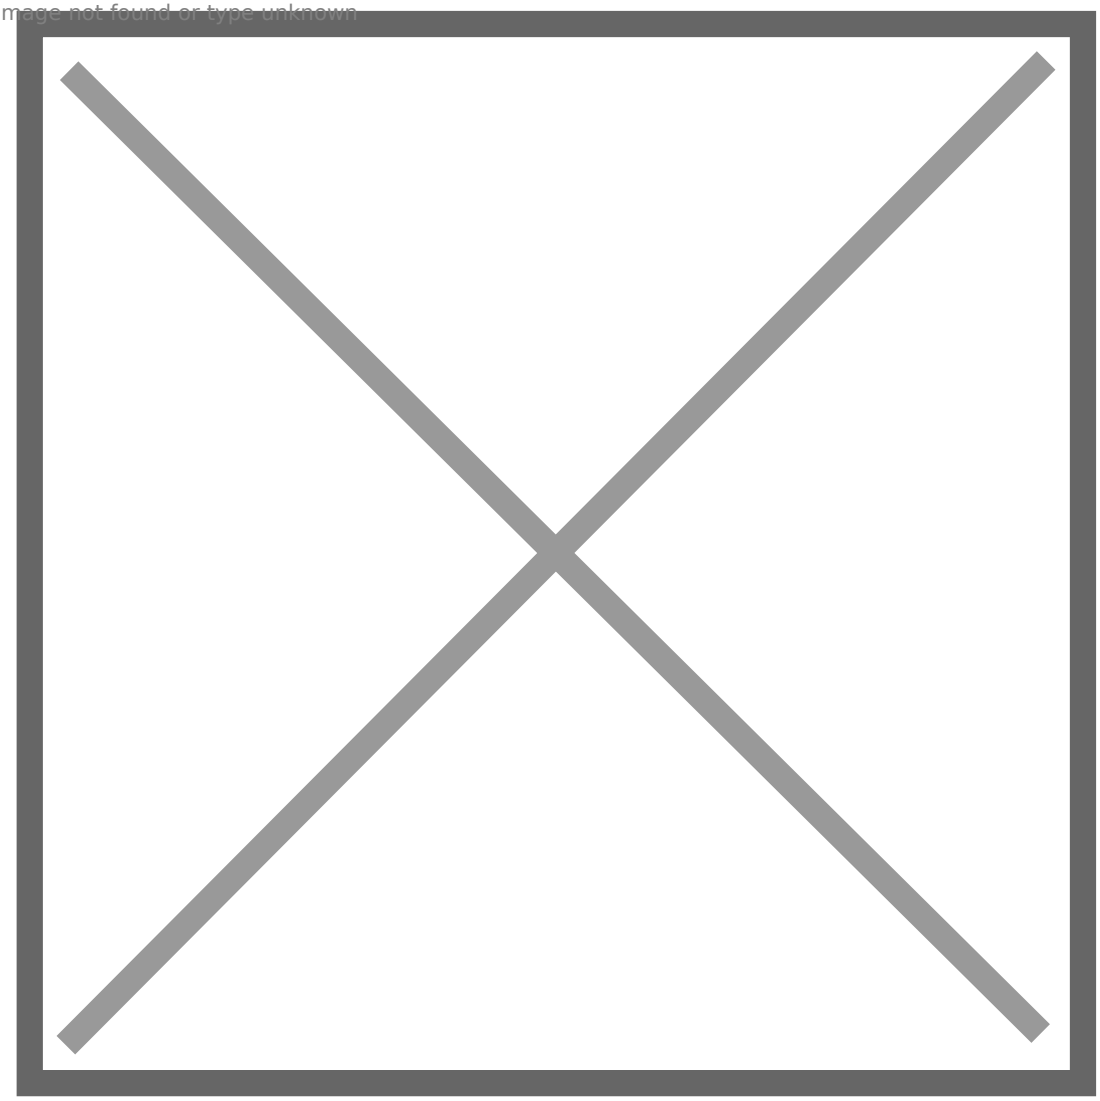

Image not found or type unknown

3. Type the product you are looking for in to the search field. In this example we've used "strawberry".

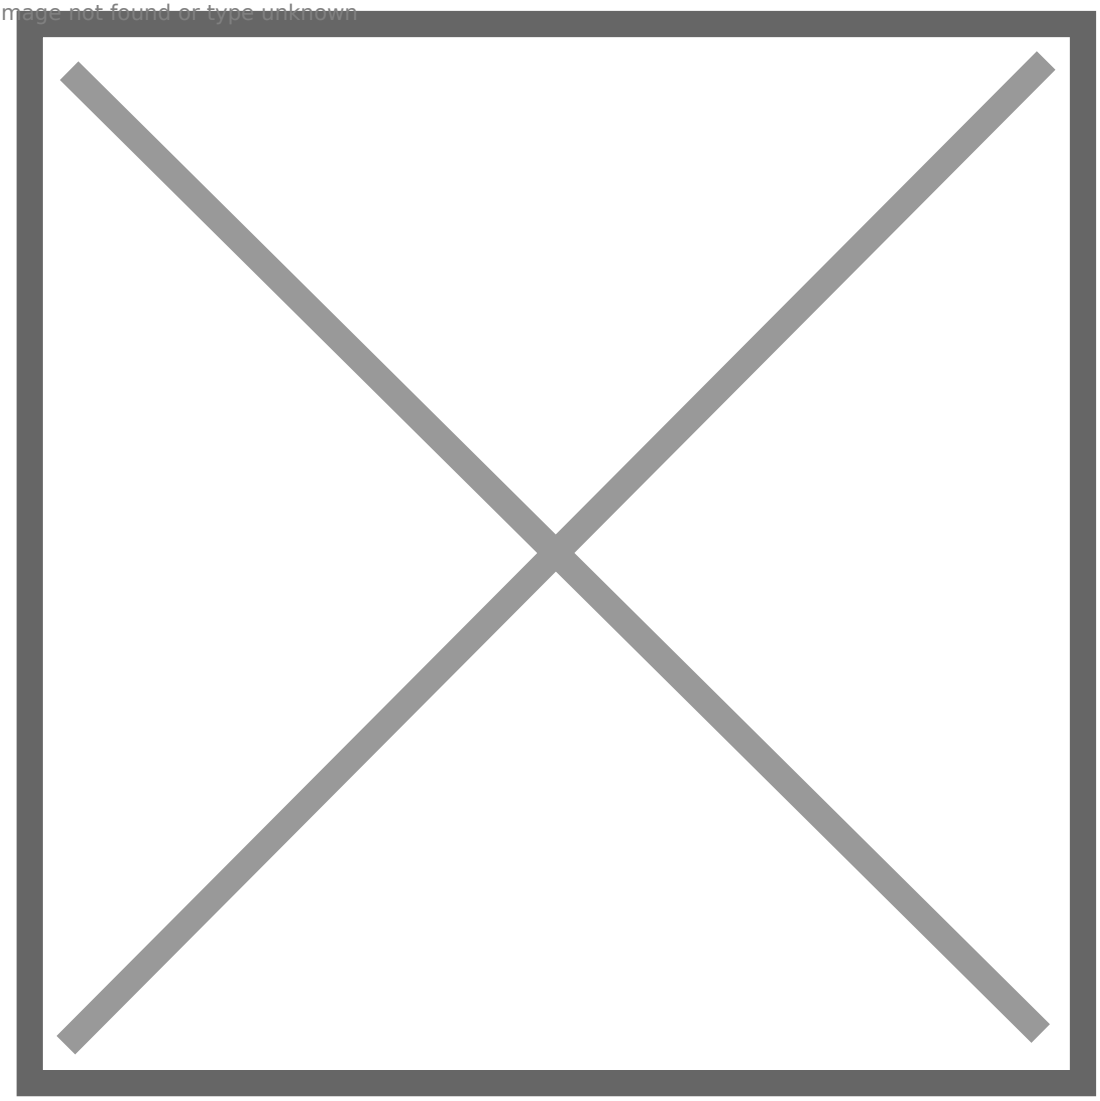

4. Click 'Search'

Image not found or type unknown

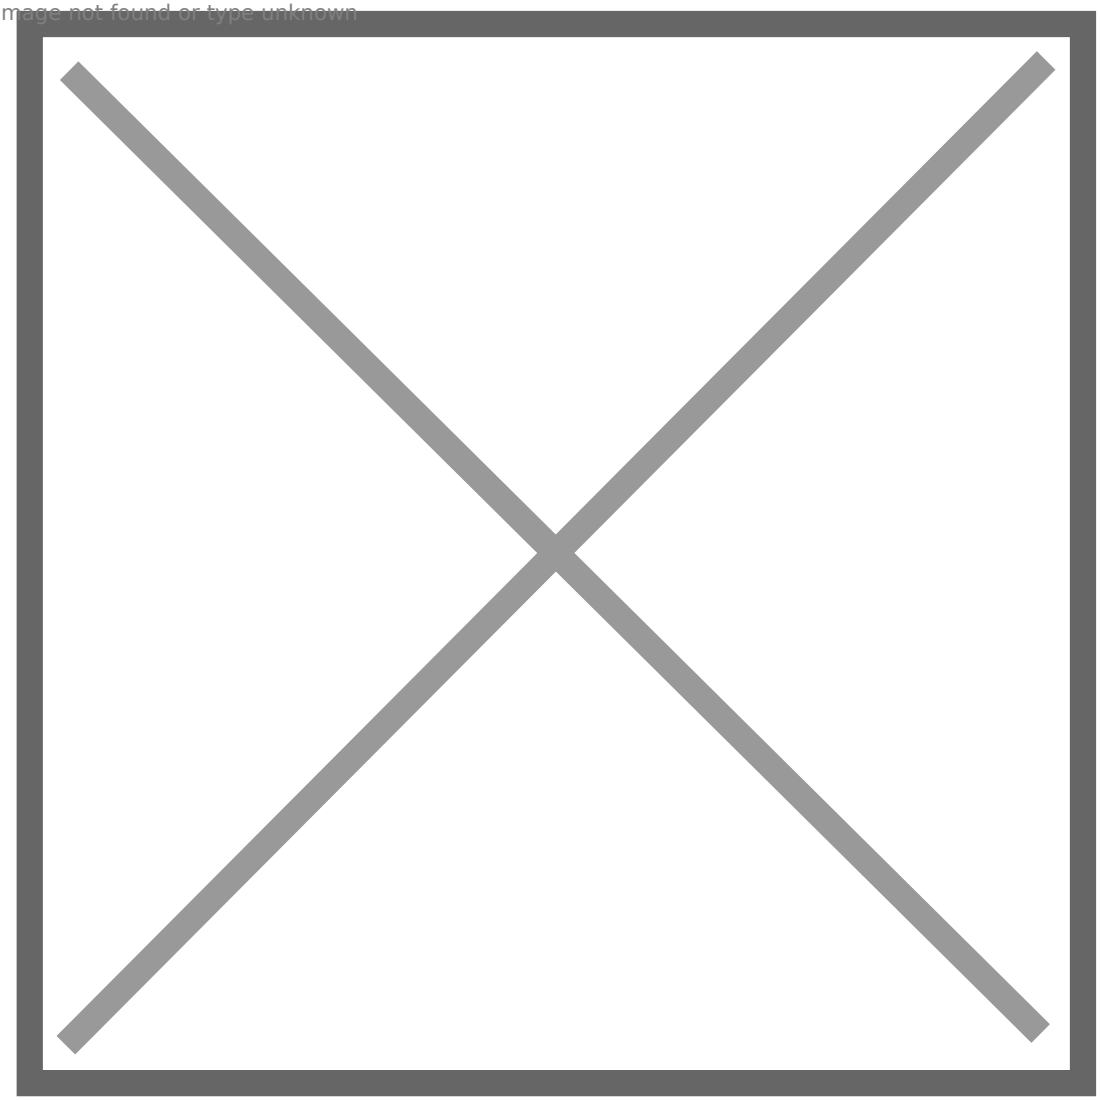

5. Click the 'Edit' icon

Image not found or type unknown

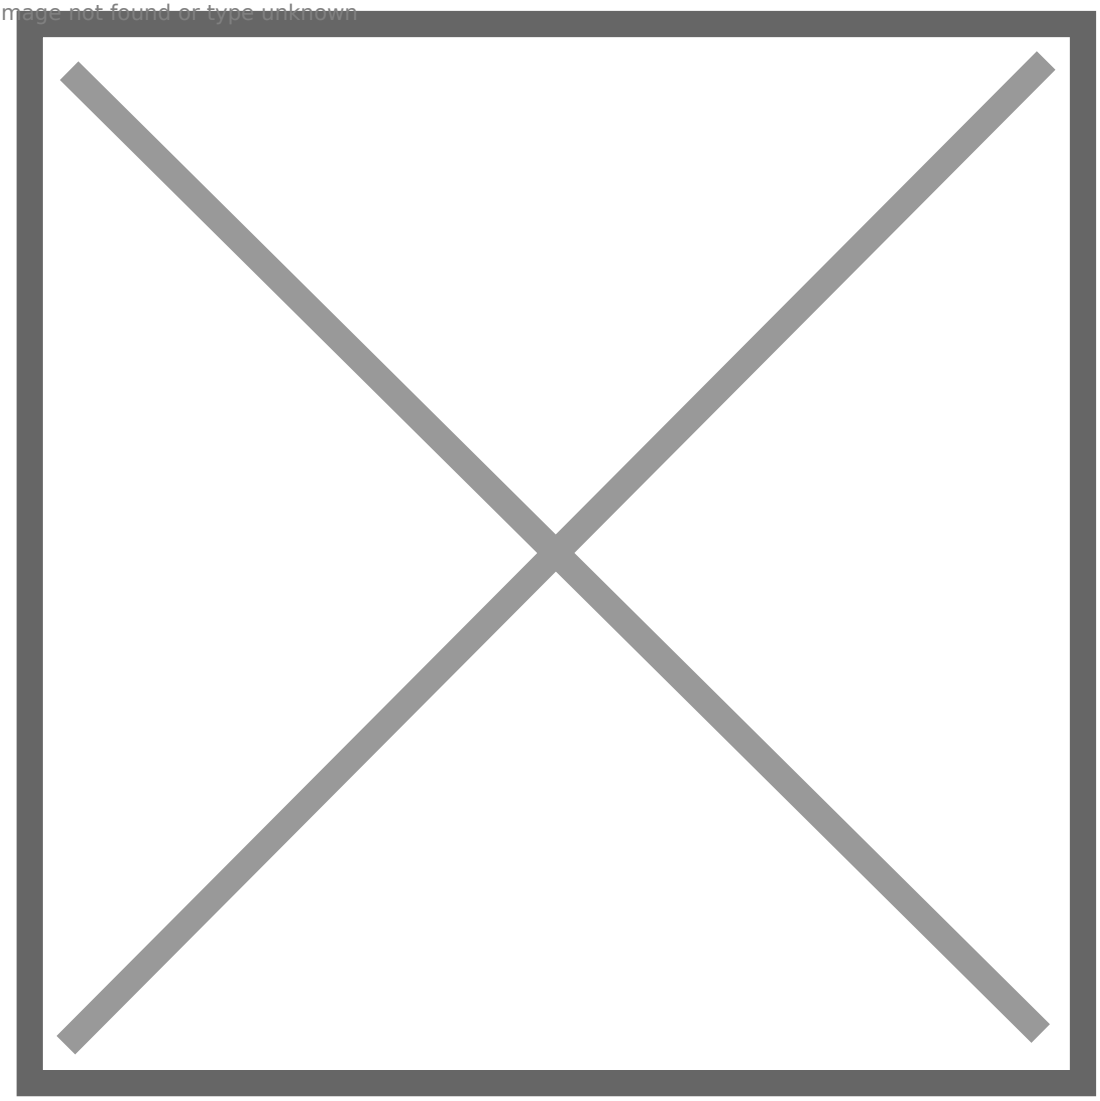

6. Scroll to the bottom of the page and click "delete product"

Image not found or type unknown

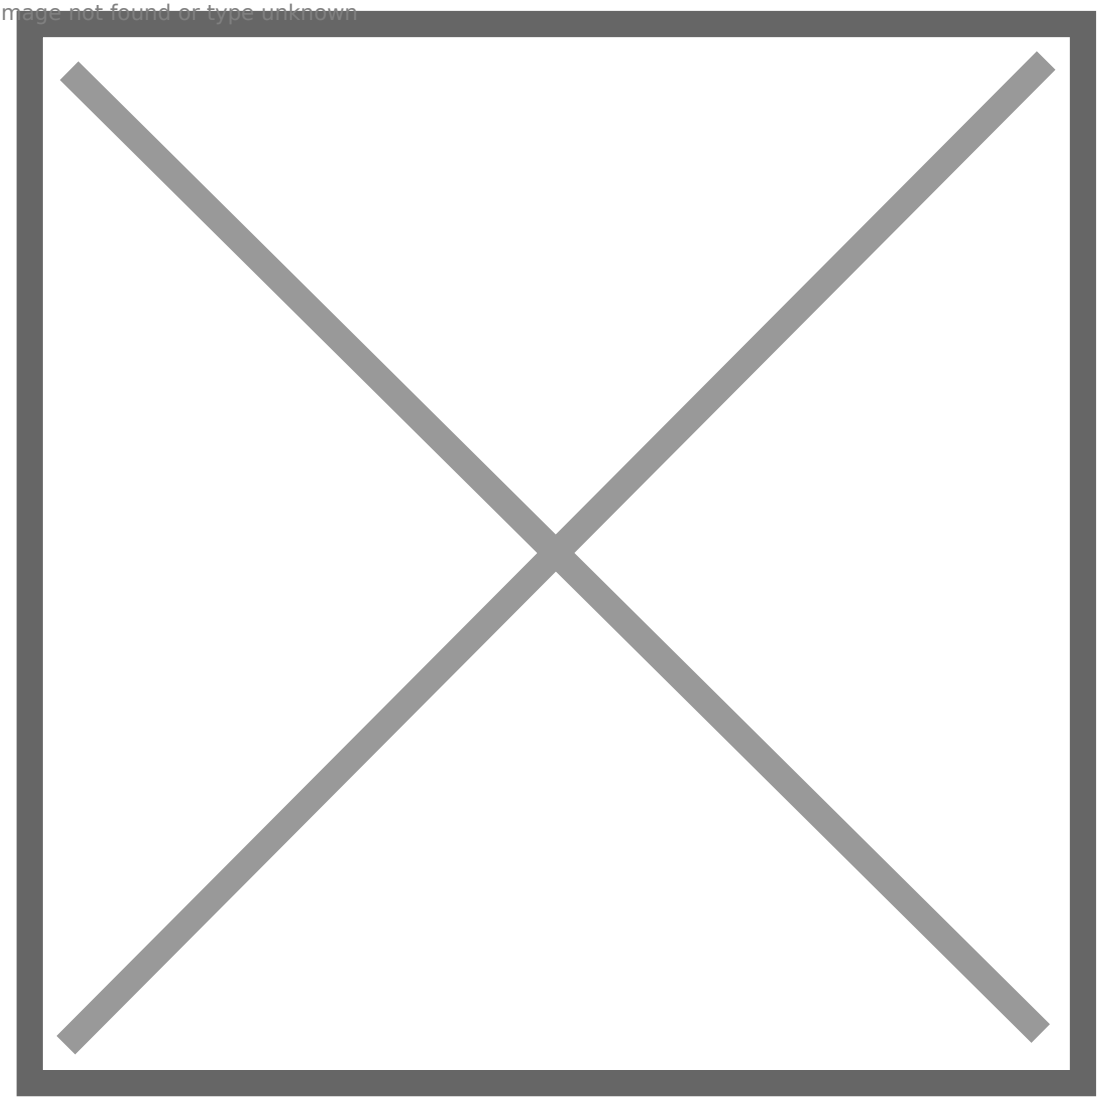

7. A popup will open asking if you are sure you want to delete this product - if you are happy, click 'OK'

Image not found or type unknown

8. You will receive a confirmation message in the top right of the browser advising 'Product was deleted'
