Delivery

This tab is used to setup and edit delivery options for a product.

During setup, these fields are optional, and will follow defaults set up within the Postage section.

> This section allows products to be edited individually; editing in bulk is done with other tools, such as the CSV Upload or the Bulk Updater.

Setup

Field	Purpose
Delivery Details (in stock, optional)	*Text entered in this field will display to the customer on the website if the product has available free stock* *If left blank, this will default to 'In Stock'*
Delivery Details (out of stock, optional)	*Text entered in this field will display to the customer on the website if the product does not have available free stock* *If left blank, this will default to 'Out of Stock', or, if enabled for allowbackorder on the Inventory tab, it will default to 'Available (allow XXXXXX days for delivery)'*
Postage Methods	*Use the tick boxes to select Postage Methods*
Private Notes	*Use the tick boxes to select excluded Postage Zones*
