Summary

From this screen you can view and amend information stored about a product.

This screen is separated into individual tabs:

Data entered here will be visible to the customer on the website.

> This section allows products to be edited individually; editing in bulk is done with other tools, such as the CSV Upload or the Bulk Updater.

> Deletion may have serious irreversible impact on your reporting, stock and allocation; Iconography always recommends disabling in the first instance.

Revision #3
