Heading Position	<p>Alter the alignment of the block header:</p> <ul style="list-style-type: none"><li>• Left</li><li>• Central</li><li>• Right</li></ul>

## Advanced

### Padding

Adding padding will insert space within the current block; this will adjust the position of content within the block.

More information is available [here](#).

### Margin

The margin will add additional space around the current block.

More information is available [here](#).
