# Feature

Use this block to add a styled image.

There are also other blocks which can be used to add images:

- Image (simple images)
- Carousel (small images on a swipeable carousel)
- Hero (large rotating banners)
- Parallax (an image that sits behind content, adding depth to a page)
- Multi-Feature (multiple static images in a single block)
- Wide Feature (image with a block of text)

# Appearance

# Editing the Block

> Styling will be applied to this block as part of your website build - this will then remain constant across all pages.
