Appearance

The screenshot displays a website editor interface for a Hero block. On the left, a sidebar contains a 'Done' button, the title 'Edit Hero', and tabs for 'Content', 'Settings', and 'Advanced'. Under the 'Content' tab, there are four 'Image' slots, each with a plus sign and a small thumbnail. Below these is an 'Add Images' section with a 'Choose files' button and the text 'No file chosen'. The main editor area shows a preview of the Hero block. At the top, it indicates 'This is a draft version. Publish to make this live.' The main image is a large office scene with a semi-transparent text overlay that reads 'Multiple Images Scrolling' and 'Include several images that will automatically carousel'. Below the main image, there is a row of four product listings, each with a small image, a title, and a price:

- Orla Kiely Linden... from £1,250.00
- Leon Carver - Palestone... £309.00
- Ella Light Oak Scoop... Was £1,215.00 Now £912.00
- Ashley Urban Grey... Was £950.00 Now £719.00
