

# Image

Use this block to add simple images to your page.

There are also other blocks which can be used to add images:

- [Carousel](#) (small images on a swipeable carousel)
- [Hero](#) (large rotating banners)
- [Parallax](#) (an image that sits behind content, adding depth to a page)
- [Feature](#) (a styled image)
- [Multi-Feature](#) (multiple static images in a single block)
- [Wide Feature](#) (image with a block of text)

# Appearance

# Editing the Block

## Content

Field	Purpose
-------	---------

Heading	Enter a short block title - this will show above the main content of the block
Body Text	<p>This is the main content of the block. Use the controls to format your text</p> <p>It will appear as a caption, below the image</p>
Link URL	Enter a link URL - if populated, this will add a link to the image.
Image	Use the dialogue to select an image to upload
Delete Image	Use the tick box to delete an image - you will be asked to confirm your action

## Additional Options

Field	Purpose
Invert Text Colour	Toggle to invert the text colour
Actual Size	Choose to display the image at actual size

# Advanced

## Padding

Adding padding will insert space within the current block; this will adjust the position of content within the block.

More information is available [here](#).

## Margin

The margin will add additional space around the current block.

More information is available [here](#).
