

Multi-Feature

Use this block to add multiple static images in a single block.

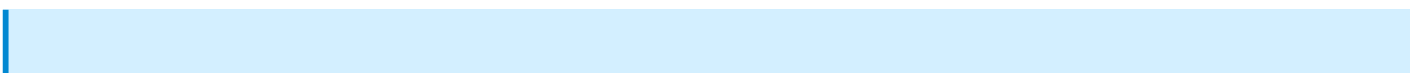

There are also other blocks which can be used to add images:

- [Image](#) (simple images)
- [Carousel](#) (small images on a swipeable carousel)
- [Hero](#) (large rotating banners)
- [Parallax](#) (an image that sits behind content, adding depth to a page)
- [Feature](#) (a styled image)
- [Wide Feature](#) (image with a block of text)

Appearance

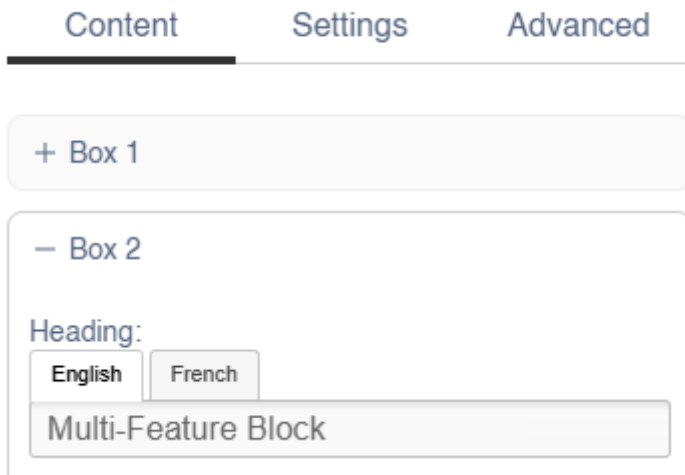

The screenshot displays the 'Edit Multi-Feature' interface. On the left, there are settings for 'Content', 'Settings', and 'Advanced'. Under 'Settings', options include 'Block Width' (100%), 'Visibility' (Default), and 'Text colour' (Black). Under 'Advanced', there are 'Layout' options with various image grid icons and a 'Gap' of 15. The main area shows three preview cards for the 'Multi-Feature Block': 1) 'Upload several images into one block' showing a meeting room with a large screen. 2) 'Select a different layout with up to 4 images in one block' showing a hand holding a tablet. 3) 'Images can also be linked to relevant pages!' showing an office scene with a 'READ MORE' button. A 'Copy Delete' button is visible at the bottom right of the third preview.

Editing the Block

To best configure this block, it is important to select your layout under Settings (see below) before you upload any images

Each image has an expandable menu, allowing it to be edited individually.

Content

Field	Purpose
Heading	<i>Enter a short title - this will be output as a text overlay, on top of the image</i>
Text	<i>Enter some short text - this will be output as a text overlay, on top of the image below the title</i>
Alt Text	<i>Amend the Alt Text for the image</i>
Link URL	<i>Enter a link URL - if populated, this will add a link to the image.</i>
Link Text	<i>Text to be shown with a button, if a link is set</i> <i>If left blank, the whole image will act as a button</i>
Delete This Image?	<i>Use this control to delete an image</i>

Use the Image dialogue to select images to upload to this block.
