The image shows a screenshot of a web application interface. A dialog box titled "VAT Exemption Form" is open. It contains a dropdown menu for "Disability condition" with "Arthritis" selected. Below this is a text area for "Additional information regarding your condition" with the placeholder text "More information can be typed freely here". At the bottom, there is a section for "Customer signature" showing a handwritten signature "Mike". At the very bottom of the dialog are two buttons: "Clear" and "Save Signature".
