

# FAQs

## General

### Are Reports sortable?

All reports are sortable - simply click on the headers.

### Can a report be exported?

All reports are exportable as a CSV.

### Why are some results 'N/A' or simply blank?

This will be due to missing information, e.g. products that are sold which have not been assigned to a Department, or to a Brand with a blank entry in the name.

## Real Time Data

### Are the reports up to date?

All reports show a snapshot of data at the instant that they were generated. As such, they are always up to date.
