

Summary

Price Lists can be assigned to any Customer. When they are logged into their account on the website, or when their account is linked to a POS order, Product prices will change to match those in the price list.

Add a Price Group

To add a new Price List, use the  icon.

Manage a Price Group

Field	Purpose
Group Code	<i>This is shown in the drop down when assigning a Price List to a Customer</i> <i>It will also be used to link your Price List to any third party system</i>
Group name	<i>This is shown in the drop down when assigning a Price List to a Customer</i>

Discounts

It is possible to add top level, order based discounts linked to a Price List Group; these will be applied to all Sales Orders linked to Customers who are assigned to this Group.
