

Suppliers

- [Summary](#)

Summary

+ View Disabled

+ + Set 'hide disabled=true' to be the default (products/categories/brands/collections/suppliers)

+ + Hide disabled also hides archived products

+ + Addition of an 'Archive' function for Brands/Collections/Suppliers. If Archived, the relevant element would not be visible in product management. Addition of function to view archived collections/brands/suppliers, e.g. a toggle on /brands.php to 'view archived brands'

+ + Changes to Suppliers screen

+ + Prevent deletion of suppliers with active purchase orders/returns

It is also possible to [Show/Hide Disabled Items](#) on this screen.
